RAHUL KOTA

DOCTOR OF PHARMACY (PHARM.D) STUDENT

+91 9502313528 rahulkota0101@gmail.com Vijayawada, Andhra Pradesh, India
https://rahulkota0101.wixsite.com/portfolio

PROFILE

PharmD student with an interdisciplinary research interest spanning healthcare, *biomedical signalling, cancer biology, & computational approaches*. Actively building research and technical skills through academic projects, review writing, and foundational programming. Preparing for GATE (XL & BT) with long-term goals of *pursuing research training at IITs, IISc or International Universities in interdisciplinary domains.*

EDUCATION

Doctor of Pharmacy (Pharm.D), Ongoing (2nd Year)

QIS Institution, Andhra Pradesh, India
Affiliated with Jawaharlal Nehru Technological University Kakinada (JNTUK) & Rajiv Gandhi Institute of Medical Sciences (RIMS)
Expected Graduation 2030

VKR College **[2021 - 2023]**

Intermediate - PCB Stream GPA : 9.0 / 90.2%

RESEARCH INTERESTS

- Computational Genomics & Bioinformatics
- AI/ML for Biological & Clinical Data
- CRISPR Data Analysis & Functional Genomics
- Cancer Biology, Genomics, Systems Biology
- Computational Modelling of Biological Systems

TECH SKILLS

- Python (Basic - Intermediate)
- Java (Basic)
- SQL (Learning)
- Machine Learning (Foundational)
- Streamlit

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Telugu (Fluent)

PROJECTS & RESEARCH

AI-Assisted Healthcare Utility Website (2025)

Website Link : https://rahulkota-healthcare-app-2026.streamlit.app/
Designed and deployed an educational healthcare utility integrating BMI assessment, adult and pediatric dose calculations, and structured drug information within a clean, workflow-oriented interface.

Academic Research Project IIT BHU (Guided Mentorship)

Currently Working on literature-based exploratory research related to ‘‘*miRNA incorporated nanocarrier delivery in treatment of triple-negative breast cancer (TNBC)*’’ under guidance of PhD scholar at ***IIT BHU.***

Formulation Research Proposal – Nootropic Chocolate Delivery System

Proposed a chocolate-based nutraceutical formulation by applying formulation science principles to ingredient selection and delivery-system design

CERTIFICATIONS & EXPERIENCE

- ***Secured First Place*** in Poster Presentation Titled *“Pharmacists The Frontline Divers of Vaccination” During National Pharmacy Week - 2025*, Under *SCRMP (Gujarat - Chapter)*
- Completed 10-Day ***GIAN Course at IIT Indore*** Titled *“The Exciting Landscape of Precision Medicines & Next-Generation Deep Medicines”,* Conducted in Collaboration With ***Purdue University, USA***
- Attended 5th Edition of *HEALTH CARE SUMMIT 2025* Held on 13th & 14th June at ***IISc Bangalore***
- NPTEL – Mathematical Foundations for Machine Learning (IISc-NITK)
